**PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 C.F.R. § 1.137(b)**

Office of Petitions
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The above-identified application became abandoned for failure to timely reply to a Final Rejection within the statutory period of three months from the mailing date of April 22, 2003. The date of abandonment is the day after the expiration date of the period set for reply, July 23, 2003.

PETITION

Applicant hereby petitions for revival of this application due to unintentional failure to timely reply to the aforementioned Final Rejection. Applicant thus concurrently submits a Request for Continued Examination (in duplicate) as well as a Terminal Disclaimer (also in duplicate), as complete response to the outstanding Final Rejection.

STATEMENT

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. § 1.137(b) was unintentional. Applicant did not intend for a reply not to be timely filed. In fact, to the contrary, Applicant properly submitted a response to the aforementioned Final Rejection on June 3, 2003 (a copy of which as well as the returned postcard from the PTO accompany this submission in the Appendix to this Petition), which was apparently never matched with the application file at the PTO. Applicant awaited a reply himself from the Office after such a timely submission but none was forthcoming until he was apprised of the abandonment for failure to respond. To date, after inquiring with the Examiner handling this application, there is no indication that this properly and timely filed submission has been entered within the application file for consideration by the Office at all. In any event, it is evident that there was no intention for this application to be abandoned.

PETITION FEES

The Commissioner is herein authorized to deduct the \$1,330.00 Fee, as well as any other amounts required to have this petition properly considered, from Deposit Account 04-0500. Applicant also hereby requests reimbursement of such an amount due to the failure of the Office to properly enter the previously submitted timely reply to the outstanding Final Rejection within this application, thereby misleading the Applicant into believing that a favorable response was forthcoming from the Office, rather than a Notice of Abandonment. A copy of this Petition is attached as well for such purpose.

Respectfully submitted,

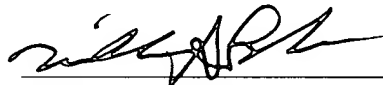

November 20, 2003
